

17TH TRAINING WING HONORARY COMMANDER PROGRAM APPLICATION

About Honorary Commanders

The Honorary Commander Program (HCCP) enables members of the community to understand the importance of Goodfellow Air Force Base (GAFB) 17th Training Wing, the United States Air Force (USAF), Department of Defense (DoD) and their military mission. It also enables military commanders and their units to learn more about the community in which they live. 17th Training Wing commanders and personnel benefit through increased association with the community and leaders.

Deadline for submission: August 29, 2025

OBJECTIVES:

- Promote a mutual understanding between HCC and GAFB leadership and personnel
- Help the HCC gain knowledge of mission of GAFB, the USAF and the DoD
- Encourage the HCC to invest time and resources into projects that will enhance the quality of life for GAFB personnel and their families.
- Graduate ambassadors of the Goodfellow and Joint military missions who are ardent supporters of our nation's warfighters.

Selection Criteria

- Application as a Goodfellow Honorary Commander is open to persons who have no prior military/Department of Defense experience. Exceptions will be made on a case-by-case basis.
- Participants are chosen by a panel of military and civilian personnel on their own merits based upon the information provided in this application. Please give your answers serious thought and provide as complete information as possible.
- Participants are selected based upon a blind point system. The more detailed your answer, the more likely that you will receive maximum points per section.
- Attendance at the Honorary Commander Induction Ceremony and quarterly immersion events is mandatory.
- In reviewing applications, the Selection Committee looks for potential participants who demonstrate the following criteria:
 - Commitment and motivation to serve military members and their families of the 17th Training Wing.
 - Policy shaping responsibility or position of leadership in employment and/or volunteer organizations resulting in the potential to have significant influence on quality of life and operational readiness issues facing our military.
